FISCAL IMPACT STATEMENT

LS 6560

BILL NUMBER: HB 1094

NOTE PREPARED: Dec 26, 2003

BILL AMENDED:

SUBJECT: Sales Tax on Flags.

FIRST AUTHOR: Rep. Koch

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: X GENERAL
X DEDICATED
FEDERAL

IMPACT: State

Summary of Legislation: This bill exempts sales of the flags of the United States and the state of Indiana from the state Sales Tax.

Effective Date: July 1, 2004.

Explanation of State Expenditures: This provision would have a slight administrative impact on the Department of State Revenue. Any additional costs could be covered using existing resources.

Explanation of State Revenues: Exempting the sale of U.S. and state of Indiana flags from the state's 6% Sales Tax would reduce state Sales Tax revenue by approximately \$180,000 in FY 2005 and \$199,000 in FY 2006. Due to the timing of remittance and posting of Sales Tax collections, only 11 of the 12 months of Sales Tax collections in FY 2005 will be affected.

Sales Tax revenue is deposited in the: Property Tax Replacement Fund (50%), the state General Fund (49.192%), the Public Mass Transportation Fund (0.635%), the Commuter Rail Service Fund (0.14%), and the Industrial Rail Service Fund (0.033%).

Background Information: Estimates of current and future sales of the United States flag and Indiana state flags suggest that nationwide sales of the United States flag could reach about \$132.3 M in FY 2005. Based on the assumption that flag sales in Indiana are proportionate to Indiana's share of U.S. disposable personal income, it is estimated that Indiana sales would represent approximately \$2.6 M. (Indiana disposable personal income represents 1.98% of total U.S. disposable personal income.) Additionally, it was assumed that sales of the state flag of Indiana are equal to 25% of the sales of U.S. flags.
